November 16, 2012

Sir:

A Renewed Petition for Acceptance of Unavoidably Delayed Maintenance Fee Payment Pursuant to 37 C.F.R. §1.378(e) was filed November 13, 2012 for U.S. Patent 6,353,038 ("the '038 patent"). The patent owner, Vivoxid Oy ("Vivoxid"), requests expedited consideration of the Renewed Petition in view of the facts set forth below.

Purac Biomaterials ("Purac") acquired substantially all the assets of Vivoxid pursuant to a Business Purchase Agreement ("BPA") executed in July 2012. However Purac did not acquire the '038 patent due to the unavoidable delay in payment of its second maintenance fee. Pursuant to the BPA, Purac will purchase the '038 patent from Vivoxid if the '038 patent is reinstated no later than January 13, 2013. The purchase price for the reinstated '038 patent is significant.
